Subject: Price Announcement

Dear Valued Customer:

Effective with shipments beginning April 1, 2018, A & T Stainless will be increasing transactional base prices by making the following adjustments:

1. Reducing the functional discount 3 points for cold rolled 304, 304L, and 316L.
2. Reducing the polish discount by 10 percentage points.
3. Increasing the base price on HRAP/CMP by \$0.035/lb.

We thank you for your support. If you have any questions, please contact your sales representative.

Sincerely,

Danielle S. Carlini
General Manager
